

North Wales Schools benefit from Squash Wales grassroots

Mini Squash Coaching programme

Wat's Dyke has first school visit for Wrexham!

In the first of 6 proposed school visits in the Wrexham area to promote and encourage squash, Year 4 at Wat's Dyke school was visited on May 5th.

The session was taken by Andrew Evans and Jonny Jones from Squash Wales and attended by Margaret Meadowcroft and Jim Tunley from Wrexham Brymbo club.

It was a session really enjoyed by all with 28 children having the chance to have some fun games / co-ordination skills and the opportunity to have squash rallies and thanks to the teachers and head teacher Alun Evans for setting this up with Margaret.

Some of the children have already started attending the regular squash coaching nights at Wrexham Brymbo which is great news !!
